N IS SHOT AT DESK

ALDERMAN PAUL HANNAGAN. DENNIS H. FINN.

Paul Hannagan Attacked By Dennis H. Finn.

Three Shots Fired—Only One Takes Slight Effect.

LAWRENCE, Feb 23—Ex-Assessor Dennis H. Finn walked into the City Engineer's office at City Hall shortly after 2 this afternoon and, it is alleged, deliberately fired three shots at Alderman Paul Hannagan, a director of engineering, who was seated at his desk at the time.

Mr Hannagan was using the telephone at the left of his rolltop desk when Mr Finn approached the threshold of the door of his office. He had his back turned and consequently had no warning of Mr Finn's act until two men approached and attempted to apprehend Finn. They reached the scene just a second too late, for, they assert, Finn pulled the hammer of a revolver, one of the shots, it is believed, taking effect and lodging in the scalp.

Mr Hannagan, bleeding, jumped from his desk and ran into the corridor and into the arms of City Engineer Marble and Edwin C. Merrill, an assistant engineer. They ordered the ambulance and Mr Hannagan was able to walk into it without much assistance. It is believed the wound is not serious.

Bad Feeling Over Politics.

There has been considerable feeling between Messrs Hannagan and Finn, it is claimed, over political matters. Finn has been appearing frequently at City Government meetings, championing the cause of the unemployed. The two men have met at these hearings constantly, and it was said words have been exchanged.

The climax is thought to have been reached at a meeting yesterday.

"Hello, Mike," Finn said to Champney, Hannagan's chauffeur, as he entered City Hall and paused to the door leading to Hannagan's office. The chauffeur did not in the least suspect there was anything out of the ordinary. He was among the first to reach the side of Hannagan.

Finn was immediately placed under arrest and will be held awaiting the result of Hannagan's injuries.

WOMEN VOTING IN CHICAGO PRIMARIES

Cold, Drizzling Rain Will Keep Down the Totals.

There Are 447,199 Men and 218,712 Women on Voting Lists.

CHICAGO, Feb 23—A cold, drizzling rain threatened to cut down the expected vote in today's mayoralty primaries, the first in which women were entitled to vote for all offices.

Campaign leaders are of the opinion that ballots cast by the women could decide the issue. Candidates for Mayor, city treasurer, city clerk, judge of the municipal court and Aldermen in every ward were to be nominated.

Carter H. Harrison, the present Mayor, who is serving his sixth term, is opposed for renomination on the Democratic ticket by Robert M. Sweitzer and six others. Harry Olson, chief justice of the Municipal Court; William Hale Thompson and Jacob A. Hey are the Republican candidates.

There are 667,911 persons eligible to vote, 447,199 men and 218,712 women.

The weather, which was variable, made little difference to the women voters, who, in some of the precincts, outnumbered the men in the early hours and who were much in evidence in all the districts.

Carter H. Harrison and Robert M. Sweitzer seemed to be making a close race for nomination on the Democratic ticket. In the Republican camp opinion was about equally divided between Judge Harry Olson and William Hale Thompson.

William M. Thomson, Progressive party candidate, had no opposition on his ticket and had made no campaign.
